

COMPETITION TERMS AND CONDITIONS

By entering our competition(s) and or purchasing a ticket you hereby agree to the below terms and conditions. If, after reading these terms and conditions in full, you do not agree to any one of the sections, please do not enter or purchase a ticket for any of our competitions.

1 3Five Wheels Limited is a company engaged in skill-based competitions, resulting in a randomly selected number being drawn and the advertised prize being awarded.

2 Entrants must be over the age of 16 to take part in any of our competitions. Any participant found to be below the required age will be removed from any draws and will not be refunded the cost of their ticket.

3 Entrants may take part during the period where our competitions are active and there are still tickets available for that specific prize.

In order to participate in any one of our competitions, entrants must fill out the form and answer the question on the “competitions” page of our website. Once you have provided your details and selected your answer, you can then complete payment. You will receive a randomly generated number by email confirming your entry.

Each entrant is paying to play a game of skill where a question must be answered correctly. Your prize for submitting the correct answer is entry into the competition draw.

4 The winner of each competition will be selected in a random draw including all eligible entries, using Google’s “Random Number Generator” on a live draw which will take place on the date displayed on the competition advertisement. Odds of winning will vary depending on the number of eligible entries received.

Each competition will close when all available tickets have been sold or on the date stated. In the unlikely event that a competition does not reach the required number of entrants, 3Five Wheels Limited reserves the right to extend the promotion period of any competition up to a maximum of 3 times. Should the required number of tickets sales still not be met after the extended periods, a cash prize will be offered.

Should the available entries sell out before the promotion period is over, 3Five Wheels Limited reserves the right to call an early draw, including all eligible entries received prior to the early closure date being announced.

5 Due to the nature of the draw and competitions there will only be one first prize winner per competition. If 3Five Wheels Limited do choose to run a competition with more than one winner, this will be displayed clearly on the “competitions” page of the website or on any advertisement published by the company.

6 The winner of the competition(s) will be contacted within 24 hours of the live draw by email or telephone. The winner will have 7 days from the date of contact to acknowledge and provide collection/delivery details. 3Five Wheels Limited will not be held responsible for any delay in response or failure to receive notification for any reason. If the winner remains unreachable after 14 days, this may result in prize forfeiture. (Although this period may be extended at the company’s discretion.

7 Details of each Prize can be found on the “competitions” page. Each prize and competition is different. More than one competition may be running at the same time and each competition requires its own entry. No prize can be redeemed for cash, substituted or transferred by the winner. 3Five Wheels Limited will accept no liability for any lost, stolen or damaged prizes once in possession of the winner.
